

Admiral Group PLC : European Investor Day

17 Sep 2018

Admiral Group plc will host a European Investor Day for institutional investors and analysts in Rome today. The event will provide an overview of the markets and Admiral operations in France, Italy and Spain with a focus on direct insurance.

The presentation will commence at 11:00 BST and is expected to conclude at around 16:30 BST. Slides will be available on the Admiral Group website from 11:00 BST.
